- English (Fluent)

SHAFRIN Shihan

FULL-STACK DEVELOPER | UI/UX DESIGNER

PROFILE

Aspiring Software Engineer & UI/UX Designer with hands-on experience in full-stack development and intuitive interface design. Proficient in Node.js, GitHub, and modern frameworks, with a strong grasp of end-to-end project execution. Passionate about building scalable, user-centered solutions and collaborating in cross-functional teams to drive innovation.

WORK EXPERIENCE

- Global Vertex Solution** FEB 2025 - AUG 2025
UI/UX Designer Intern
 - Designed responsive web interfaces and prototypes to enhance user experience.
 - Collaborated with developers to implement intuitive, user-centered design solutions.
 - Conducted user research and usability testing to inform and refine design decisions.
- Gamage Recruiters** Feb 2025 - Aug 2025
Software Engineer
 - Developed and maintained full-stack applications, handling both front-end and back-end tasks.
 - Designed, coded, tested, and debugged software components based on requirements.
 - Collaborated using GitHub for version control, code reviews, and continuous optimization.
- YHills** Feb 2025 - Jun 2025
Full Stack Web Developer (Internship)
 - Built and deployed full-stack web applications with responsive UIs, integrated APIs, and scalable back-end systems.
 - Collaborated with cross-functional teams using agile methodologies and clean coding practices to meet technical and business goals.
- Global Citizenship Foundation** Jan 2025 - Present
Project Design & Management Mentor (Intern)
 - Mentored participants in project design and management, developed execution guidelines, managed social media marketing, and screened candidates for various roles.
 - Led technical development for the Ecomis project and independently built an internal app, All-in-One, supporting the Rescue Team's ongoing initiatives.

CERTIFICATIONS

- Color Psychology
- UX Design Foundations
- Common Design Patterns
- EF SET English Certificate (C1 Advanced - 62/100)
